ABOUT REGISTRATION

*The Professional Engineers Act 2002 (Qld) (**PE Act**)* regulates the profession of engineering in Queensland. Anyone providing a professional engineering service in Queensland or for Queensland must be registered as registered professional engineer of Queensland (**RPEQ**). Registration helps maintain standards in the profession and uphold public confidence in the service provided by engineers.

The Board of Professional Engineers of Queensland (**BPEQ**) administers the PE Act and registers engineers for practice. Any individual may apply to become a RPEQ if they are assessed as being qualified and competent.

For more information on registration see BPEQ's [General Registration Process policy](#).

HOW TO APPLY

You must apply for registration by way of the approved form – Application for Registration Form 2.
