

## MESSAGE FROM THE CHAIRPERSON

As the 2022-2023 financial year concludes, the Board continues to see growth in the number of engineers seeking RPEQ registration. During the financial year, the Board welcomed more than 2,000 engineers as new RPEQs. This is the highest number of new registrants in a financial year in the history of the Board...

## FROM MT EVEREST TO THE BOARDROOM INTRODUCING DR. EMMA ERIKSSON

Navigating the heights of Mount Everest and the role of RPEQ Representative on the Board each

carry their own obstacles. We ask our newest Board member, Dr Emma Eriksson, about those obstacles – and the lessons she is learning along the way.

## **LEGAL UPDATE**

### **Board takes action against unregistered interstate engineer**

Unregistered engineers can face serious consequences providing professional engineering services in or for Queensland if they fail to comply with the Professional Engineers Act 2002 (PE Act).

The Board recently prosecuted...

## REGISTRAR'S UPDATE

Welcome to the BPEQ Pulse Registrar's update. Last week marked my one-year anniversary with the Board of Professional Engineers of Queensland. Time has flown by – and I'm pleased to report that the Board is well-placed to continue to protect the public and maintain confidence in the engineering profession.

Upcoming Event - AusIMM webinar

# Engineering the right way: Understanding requirements for mining engineers working in and for Queensland

**Wednesday 9 August 2023**  
**12pm - 1pm**

**Learn about the different laws and regulations governing engineering in Queensland's mining industry.**

## **About this event:**

Rules and regulations governing the engineering industry are complex and vary from state to state. During this webinar, we'll assist you in separating fact from fiction to understand the laws and regulations applying to the engineering profession in Queensland.

In the webinar, you will learn:

- how the Mining Act and the Professional Engineers Act relate
- how to register as a RPEQ in Queensland, including the assessment process through AusIMM, and
- penalties for non-compliance with Queensland law.
